Sick Policies

Dear Parents,

It is our goal to provide your child with the safest and healthiest environment. Children's Choice has taken positive steps towards this goal. We have enhanced our health policies to include comprehensive hygiene and universal precaution practices which will help to reduce the spread of illnesses.

We believe that Children's Choice hygiene and universal precaution practices can make a difference in creating a healthier environment. We will be monitoring our progress toward the reduction of illness among children and staff. In order to obtain this goal, we will need your help as follows:

- ❖ If your child does not feel well enough to attend the center, please call the center on your child's first day of absence.
- ❖ If your child is not feeling well, but is not ill enough to see a doctor, give us a description of your child's symptoms (stomach ache, vomiting, fever, runny nose, diarrhea, etc.) when you call.
- ❖ If you have seen a doctor, please tell the director the physician's diagnosis when you call.
- ❖ When your child returns to the center, please update us on his or her condition.

Children will be excluded from the center, or you will be called to come pick them up for the following reasons:

- ❖ FEVER: the child may not return until the fever is gone for 24 hours without medicine
- ❖ DIARRHEA: more than one loose, watery stool
- ❖ VOMITING: may not return until vomiting has stopped for 24 hours
- ❖ PINK EYE/EYE INFECTION: may return after using the drops for 24 hours
- ❖ RASHES: especially with a fever or itching
- ❖ SORE THROAT: especially with a fever or swollen glands
- ❖ CHICKEN POX: may return after all sores have scabs (usually 5-7 days)
- ❖ Too sick to participate: unusually tired, pale, lack of appetite, confused or cranky

Sick children will not be accepted at school, and we will strictly enforce these policies. Children's Choice policies for health and hygiene are the most comprehensive and progressive in the field of childcare, and we sincerely believe that, as a result, our children and staff members will experience fewer absence days due to illness.

We appreciate your cooperation and understanding.
