

PHILOSOPHY

Our center provides each child with personal growth opportunities in a rich and secure learning environment. We give each child opportunities to develop a variety of warm meaningful human relationships. We offer a planned program of educational development, and creative activities that employ the whole child: physical, emotional, intellectual, and social.

Core Values:

IMPACT
HONESTY
ENVIRONMENT
QUALITY
EDUCATION

OUR VISION

Our vision is a combination of age appropriate indoor and outdoor curriculum, combined with organized classrooms and perfected bulletin boards. Teaching children to care for themselves, others and their pets.

OUR MISSION

Our Mission is to provide high quality nurturing education and childcare in a safe, respectful and academic environment, that builds a foundation for lifelong learning.
